ORDINANCE NO. 2016-16

AN ORDINANCE AMENDING SECTION 1 OF ORDINANCE NO. 2016-3 - AMENDED TO COMPLY WITH STATE BUDGETARY LAWS REQUIRING MUNICIPALITIES TO MAINTAIN POSITIVE ACCOUNT BALANCES THROUGHOUT THE YEAR BY PROVIDING FOR 2016 OPERATING BUDGET REVISIONS SPECIFICALLY FOR THE ROUTE 91 RESURFACING PROJECT AND REPEALING CONFLICTING LEGISLATION.

WHEREAS, the Members of Council are in receipt of the Interoffice Memo from Finance Director Brichacek dated April 22, 2016, consisting of two (2) pages, attached hereto as the “**Exhibit B**” and referenced herein, said memorandum is a request for an increase in the appropriation of the General Fund No. 110 and the Road Levy Special Revenue Fund No. 270; and

WHEREAS, the 2016 approved operating budget provides \$1,319,400 for the City’s share of the construction portion of the Route 91 Resurfacing Project; of this amount, the budget anticipated that \$1,055,500 will be funded by a federal grant and the remaining of \$263,900 would be financed by the resources of the Road Levy Special Revenue Fund; and

WHEREAS, the Finance Director has been advised that the engineer has completed the design of the project and based upon that design, the engineer’s current estimate of the City’s share of the project’s construction cost is \$1,669,014, an increase of approximately \$349,700. Since the amount of the federal grant is fixed at \$1,055,500 the City must provide the additional \$349,700, repaying this debt from its own resources for the project to move forward; and

WHEREAS, as was discussed during the budget process, the City has two choices to close the project’s funding gap; assuming that the decision to use \$263,900 from the Road Levy Special Revenue Fund’s resources is not changed, the City can either borrow the additional \$349,700, repaying this debt from future year’s budgets, or finance the additional cost from the City’s current available resources; and

WHEREAS, a representative of the County’s Engineer’s Office advised City that the project is currently being advertised for bids; the bid opening is scheduled for May 18th and they anticipate analyzing the bids they receive and awarding the contract in either late May or early June at which time the City will have to provide the County with its share of the project funding; and

WHEREAS, the attached “**Schedule of 2016 Appropriations – Revision No. 01**” revises the 2016 appropriation of the General Fund No. 110 and the Road Levy Special Revenue Fund No. 270 to provide the funding necessary for the Route 91 Resurfacing Project to move forward.
